

# Walking School Bus competition

**A chance for your design to be on a Walking School Bus badge!**

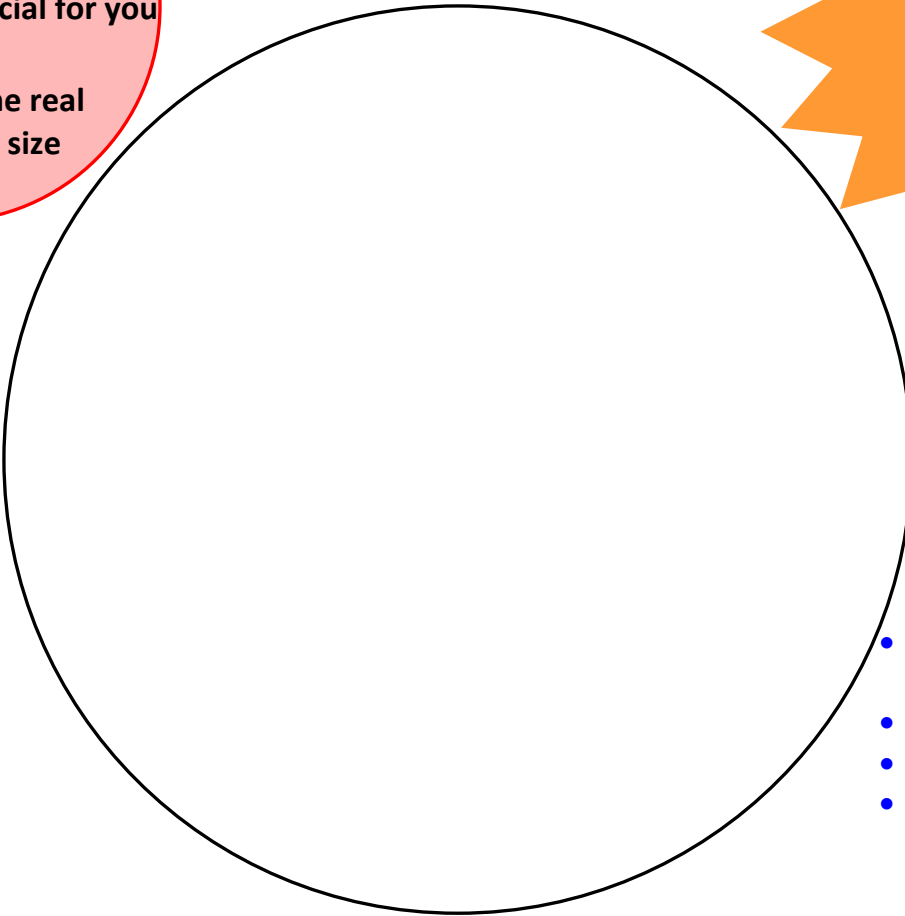

The ACT Walking School Bus wants your help to create an awesome design for our badges. The theme for the badge is 'I walk to school because.....' You can draw, paint or even glue on different materials to create your design in the circle below.

The competition is open for ACT Primary School students aged between 5 and 12 years old.

Your design can show something that you see on your way to school that you like or what makes it special for you to walk to school. Remember the real badge is the size of me!
